

COTA can assist **Bone Marrow, Stem Cell** and **Cord Blood** transplant patients

COTA can help remove the financial barriers to a life-saving transplant. COTA provides support and fundraising assistance to families facing a life-saving transplant bone marrow, stem cell or cord blood transplant.

COTA Kid
Sophie Lee
Cord Blood Transplant Recipient

“Learning there was an organization that could help with fundraising for transplant-related expenses while providing guidance eased some of our initial stress. The website COTA provided gave us hope by reading the messages of support from so many who cared for our little girl and for us during the difficult and long post-transplant recovery period Sophie endured.”

COTA Parents, *Judy and Tony Lee*
